- Go green, save paper P. 1
- Shred your old docs P. 1
- Many new members P. 1
- Car loans, our specialty P. 1
- Consumer Reports tips on dealing with our economy P. 2

WARNING: FEES MAY GIVE YOU WILD GRAY HAIR

You probably have read or heard of banks drastically raising fees. At LASCU you can enjoy little or no fees and receive better service. No brainer, right? We can easily become your primary financial institution and save you from unnecessary fees. We offer debit cards with access to over 25,000 ATM's for free, low cost mortgage loans and everything in-between. Credit Unions save you money. Don't let fees give you gray hair. Keep your money safe with LASCU, a financial cooperative you can trust.

Save a Tree

Choose E-Statements

If you are one of the many people who think receiving a paper copy of your account activity is a waste of resources, you now have the choice to receive your statement electronically on our improved internet banking website. You can review current and previous statements very easily and our newsletter can be found on our website at www.lascu.org.

Please help us save our environment one statement at a time. When you create an internet banking account online, select the e-statement box to go green.

Free Shred Day

LASCU is sponsoring a free community shred day on Saturday, October 22nd from 10:00AM– 12:00PM at our office in the Pueblo Complex. Bring by your confidential documents and let Shred-It dispose of them securely. Go through your papers and we hope to see you then!

We make car buying easy.

Car rates start at 3.85%!

Not only can you get a super low rate starting at 3.85% for your auto loan, we will also help you throughout the entire car buying process. Our business subscription to NADA allows us to search vehicles by VIN and give you the exact invoice price, saving you thousands when negotiating. Applying online is quick and easy, or for personal service just give us a call.

Back-to-School Membership Drive a Huge Success

In August, LASCU promoted our back-to-school membership drive which resulted in nearly 30 new members over the span of a few days. Several of the new members are new to the district. We've already helped them with loans for relocating as well as auto loans. We're proud to be the first-stop shop for school employees. Relatives are also eligible for membership, so sign them up!
